

TEAM USA RUGBY

An Impressive History....

- July 1990** **World Stoke Mandeville Games in Ailesbury, England**
Results: US National team goes 4-0 to win the Gold Medal over Canada.
- July 1993** **World Stoke Mandeville Games in Ailesbury, England**
Results: US National team goes 7-0 to win the Gold Medal over Great Britain.
- July 1994** **World Stoke Mandeville Games in Ailesbury, England**
Results: US National team goes 7-0 to win the Gold Medal over Great Britain.
- Oct. 1995** **1st Wheelchair Rugby World Championships in Notwil, Switzerland**
Results: US National team goes 9-0 to win the Gold Medal over Canada. USA earns the number one seed for the 1996 Paralympics in Atlanta, Georgia.
- June 1996** **International Wheelchair Rugby Tournament in Toronto Canada**
Results: US National team splits to two squads (Americans and Nationals). Americans defeated the Nationals in the Championship game to win the Gold Medal.
- Aug. 1996** **Paralympic Games in Atlanta, Georgia**
Results: Team USA goes undefeated (7-0) to win the Gold Medal over Canada. USA Rugby was the only "US Team Sport" to capture the Gold Medal in 1996.
- June 1998** **2nd Wheelchair Rugby World Championships in Toronto Canada**
Results: Team USA goes undefeated 7-0 to win the Gold Medal over New Zealand. USA earns the number one seed for the 2000 Paralympics held in Sydney, Australia.
- Oct. 1999** **World Wheelchair Games in Christchurch, New Zealand**
Results: Team USA takes a team of athletes with no previous World Championship or Paralympic experience to New Zealand to help develop future National teams. Despite facing the world's best teams, USA's team of rookie players went 6-1 to capture the Gold Medal.

What's Ahead for Team USA

- Oct. 2000** **Paralympic Games in Sydney, Australia**
The United States will join more than 4,000 athletes from 125 different countries at the 2nd largest sporting event in the world. Team USA Rugby will be the Number One seed in Sydney.
