Vista, California 92054
Phone (760) 212-1679

Paralympic History: This is my first time.
Height: 5'10" - Weight: 170 lbs
Injured September 1991

At A Glance

My love of sports started when I was a young boy riding bikes, swimming, surfing, skateboarding; any sport, any time. My adventuresome spirits lead me to cliff dive in Mexico while on vacation, that is when my new life began. The challenge at hand was to find a sport that would fit in with my new lifestyle and still give me the rush of exciting sports. Rugby fit the bill.

Other Wheelchair Sports

Tennis - U.S. Open Champion in 1993, basketball, water skiing.
